**VANESSA**

The winter in Vermont is way too cold for me to take so I couldn't wait for Spring Break. I used to go to Florida but this year I'm going to try Texas, to South Padre Island. I hear it's quite the party beach and I really need that about now. I promised my man one last fuck in my bikini, and I promised to stay loyal to him, but he knows I've strayed before.

# MOUTHS AND PUSSIES AND COCKS, OH MY!

## DICK BY THE YARD

### The yardman's son cops a cherry

He was our landscaper and didn't speak a lot of English, but when he took off his shirt I knew he was the dude I wanted to fuck me. Then his son showed up to take his place, and he was even better looking than his dad. Better yet, I didn't have to worry about him understanding what I wanted.

My mom was getting her hair done, and the landscaper's son and I were alone in the potting shed. I pulled up my short skirt and showed him I didn't have any panties on. He dropped to his knees and began to kiss my pussy.

"You taste like honeyed mangoes," he mumbled into my soaking-wet labia, and I gushed even more. He licked up my juices and ran his nose up and down my slit, tonguing me as he went.

I told him it was my first time getting it from one of our gardeners. "I am honored," he said. His black lash-

es fluttered over his glittering black eyes, and I knew I had made the right choice.

When he pushed down his pants, I wasn't quite as sure. His dick was much bigger than I had expected. That dark, smoky sausage—almost black—curved up with a big, dark-red hook at the end. I could feel my pussy clinch shut.

He continued to undress. His body was so beautiful—his butt so firm and tight, and the dark pack of balls snugged under his dick so innocent and vulnerable looking that—I began to relax a little bit. He undressed me and stroked my breasts and kissed them gently.

"You are so beautiful. Your skin is like the finest cream." He suckled on my breasts. His voice was dark and sexy and his eyes were smoldering. It was just what I needed.

He guided my hands to his huge hard-on and said, "It is yours to do with as you please...only when you please." And then he began to kiss me all over my cheeks and forehead and down my neck.

I put my hands on his tight, hard butt and pulled him to me. His dick felt like it reached almost to my boobs. It

felt hot and hard against me. I couldn't imagine how that thing was going to get all the way inside, but my pussy sure had a different idea. It was juicing up like crazy. The tight, tingling folds kept on tightening and relaxing, the muscles squeezing his huge leg of beef.

The hunk's mouth closed over my nipple, and his hand began to pluck at my other one. I figured maybe my pussy knew something I didn't. Go with the flow, I thought. How bad could this be? He sure seemed to know what he was doing.

I imagined a string of happily satisfied señoritas in his handsome wake. Maybe his dick was so big because he gave it such a workout.

I began to get giggly. His mouth was all over my breasts, and his hands were all over my ass and thighs. I began to wish he would hurry up and get to my pussy. It was getting even more anxious.

He laid me gently down on the floorboards of the shed—he had spread out our clothes—and went to work eating me out. His lips raked over my labia, and his thick tongue pushed inside and stroked up and down over my clit.

I gasped and grabbed for his dick.

I wanted to feel it in my hand as he ate my pussy. He maneuvered his hips so I could get hold of him. When I did, his huge shaft felt wonderful in my grip. It was so hard and powerful and manly. My pussy writhed against his mouth and tongue, wanting the powerful rod to split it, to push it wide open and sink in as deeply as possible.

Somehow he knew. He could tell I was ready. He pulled me up. "I will lie down and you will be over me," he said. "That way, I am yours." He turned and stretched out under me, and it was the most exciting sight I had ever seen. His dick throbbed up off his stomach, dripping with sticky lube. My pussy twitched. I could feel my juices running down my leg.

I crawled over him, and he guided the pointy-nosed hook into my slit. It nuzzled in and went deeper than his tongue, deeper than my fingers, deeper than the dildos I had used. More and more of his hard meat pushed inside me. I stretched wider and wider. My insides filled up. My clit scraped against the hard, invading ramrod, digging into its surface.

I settled my pussy-lips against the black tangle of pubic hair and felt his tight balls against my legs. I couldn't believe it. What pain I'd felt as I stretched to my limit was washed away with the amazing heat and fullness deep inside me.

I began to rock back and forth, feel-

ing the huge meat move inside me. It was awesome. Next, I lifted up my hips and dropped back down. He groaned, and his dark eyes closed. His mouth fell open. I knew just how he felt. I began to pump my hips, driving his massive pole in and out of me. His fat head dragged back and forth deep inside, its wide, thick flange rippling over my clutching pussy-muscles.

I came. My whole body came. Every fiber of my being exploded with how good it felt. I could feel him gush his hot cum deep into my pussy. He filled me up with his hot, boiling seed.

I lay on him, gasping for breath, my breasts pushed hard into his muscular chest. I could even feel his hard little nipples. His dick was still buried deep inside, still hard. As it began to soften, my pussy-muscles clutched and grabbed it, squeezing it, keeping it hard.

He opened his eyes—big, black, moist orbs. He grinned. "Again?" I grinned back and nodded eagerly. It was even better the second time, and the third.

We were working on the fourth time when his dad caught us.

His dad isn't hung nearly as well, but he fucks with an ease and elegance that I guess comes only with experience and age.

I'm thinking about spending the summer in Mexico.

## A REAL SCREAMER

---

*Fucked my share, but this one  
had the best vocal chords*

---

"Allie, I'm Allie." That's how she introduced herself at the club. We were at 'Loins' just off Seventh and Elm. We were both pretty wasted but managed to find our way back to my place.

We continued 'partying' until about 3 am when things began to get hotter and soon we were naked and in my bed. I don't even remember taking our clothes off, but that didn't matter.

I laid back and within minutes her mouth was around my cock making it harder and harder. I returned the favor by spinning her into a 69 with her on top. She made a lot of noise slurping on my dick — a preview of what's to come.

She got on all fours and I grabbed my cock and guided it into her pussy.. That's when the screaming began.

"OOOOMMMYYYYYGGG-GOOOOSSSSHHH!!!" she screamed out. "Fuck that tight pussy harder!" I sped up inside her wet dripping goldmine. I loved fucking her from behind.

"Yes!! Yes! I love it! Fuck my tight pussy!" I loved the sound of that.

It made me want to ram her into the wall. I grabbed her hair and pulled her head back. "UUUGGGH-HHH, so good!" she yelled. I twisted her long slick black hair and drilled her wet pussy deeper. I could feel her walls tighten on my rock hard dick. She started screaming loudly. "I'm CUMMMMMMING!!" As if on command her wet pussy juices began to flood down my dick.

"OOHHHHH!!! Don't stop, please don't stop!" But I pulled out and laid her on her back. This is the first time I actually got a good look at her boobs. Nice. They were small but firm and her nipples were large and felt hard to my touch. She looked up at me with her lustful eyes.

"You think you can handle some more?" I asked already knowing the answer. I laid on my side and put her leg above her head. I pulled her closer to me and laid my fat hard head on her throbbing clit and slowly started to rub it with my cockhead.

It didn't take long before she started moaning. "Please, please don't tease me." she purred softly. "What? I can't hear you." I said playfully. I started to speed up until she couldn't handle it anymore. "If you don't slam that dick in me, I'll do it myself!" she demanded.

I started to laugh, and she moved

her free hand and jammed my dick inside her. "Well I warned you!" she yelled with excitement. "So you think your in charge huh?" I replied, moving my hand from her boobs to her neck.

I pushed it in deeper and started to drill her sweet pussy harder. I leaned closer to her ear. "I want you to rub your clit for me Allie." "But I want you to do it." she cooed. I nibbled on her ear. As an incentive I started to thrust harder. She began to slap her swollen clit with my every stroke. "OOOOHHH, IT FEELS SOOOO GOOOOOD!" she exclaimed.

I started squeezing her swollen nipples and nibbling on her neck. "Mmmmm feels so good!" I started fucking her soaking pussy harder. Faster and faster I couldn't get enough of her tight pussy. She started moaning loudly, filling the now quiet room.

I picked her small frame up off the bed and slammed her against the wall. I opened her legs as wide as I could and slid her down on my dick. She let out a short loud "OOHHHH" and threw her hands behind my neck. I started hammering her wet pussy harder, slamming her faster and faster.

She wrapped her legs around my hips so I could get in deeper. She started to dig her nails into my

back. "I'M READY. KEEP FUCKING ME. FASTER, HARDER!" I sped up my pace and slammed her pussy harder "I'MMM CUMMM-MMING!!" she yelled. I could feel her floodgates open as cum started dripping down my legs. I moved her back to the bed and laid her on her back.

"That was so good! I loved every moment you were inside me!" "I'm not done with you yet babe" I explained. "What do you have in mind?" she asked.

Without a word I got on my knees and opened her legs and started to slurp her sweet, moist lips. I could hear her moan my name and tense up. I grabbed her hips and held her down. "It feels so good!!"

"Stop moving babe" I said playfully. She complied but only for a little bit. As soon as I began swirling my tongue on her plump clit she started bucking her hips again. I pushed her legs back over my head and slurped faster. "OOHH MY GOSSHHH I'MM GONNNAAA CUMMMM!!" I loved the sound of that. Her juices started gushing out of her again. I slurped her sweet pussy juices up until she was dry. "That was awesome baby!" she said excitedly. I got up beside her and held her tight. "Can we do it again tomorrow?" We said in unison as we drifted off to sleep.

## MAKAYLA & KINSLEY

The dirty duo was getting more and more touchy-feely as the beat of the shower excites them. Soon they're making out, feeling up each other's asses and licking one another. Soon their faces and toys are buried in each other's muffs as the water beats down.

I was always the shy one around my friends and classmates. But a couple things brought me out of my shyness... growing into my boobs, and having sex. I discovered I was pretty vocal during sex and my partners loved it. I'm not shy anymore.

## PUSSIES AND MOUTHS AND COCKS, OH MY!

### READY FOR MORE

Brad! watch the road,  
not us!

Ok, you told me you wanted me to wear a mini dress for my new date, so I arranged to meet my brand new fella. Brad, my hubby, was the driver for the day, so we called for Steven at his place on the way to the date. I met him on a swing site and we had swapped pics and chatted there for a bit.

Steven is a 6 footer, and sexy, in late 20's, very virile and was always hard when we spoke. He said he had a few older ladies who called him round when they needed a good service, so that was suiting me just fine.

I asked him if he was bothered if Brad was about, he said "Naah, no problem, I ain't fucking him love!"

I love his dick, it is not the longest at 9" I ever had but it is so thick. Brad said he thought he had played with or retouched the pics? But I was about to see for myself now.

We pulled up to his apartment and Brad tooted his horn as arranged. Ste-

ven stepped out from the door, I was well pleased with what I saw, very hunky in his jeans and tight t-shirt, his hair short and wearing a pair of cool shades. I was already in the back of our car, so in he stepped, closed the door and said 'hi' to me, ignored Brad and kissed me. I was away, his lips smacked mine and were hot and ready for more. He held me and kissed again, peeking down to my legs and said 'amazing.'

I told Brad to drive to a park about twenty minutes away. I was all over Steven, stroking him and kissing loads. The split in my skirt fell open showing Steven my smooth thighs. I could see his pants growing as he was excited by me. His eyes looked at his bulge and met mine looking there too, he nodded as if to say it's okay to put your hand on it!

I could see Brad watching not the road but us in the mirror as I stroked Steven's enormous bulge. Fuck it was really fat in there! This gave Steven instant relief and he moaned as I stroked him gently, his fat finger parting my thighs and rubbing my pussy though my panty.

Now I was moaning with Steven as he worked his finger under my panties and into my pussy. "Fuck," he whis-

pered into my ear "that is tight."

I told him "Yes I am, I hope I can please you, you're so big!"

We pulled into the parking area of the country park; quite a few cars there already. Steven stepped out and helped me out. When we stood next to each other he was a lot taller than me, even with my heels on. He was taller than Brad, loads taller. I and the rest of the world could see he was still hard in his pants, he was cool about it, though.

He took my hand and we set off walking. We had gone not far when he said, "Let's have some fun babe." Then we sat on a bench and he kissed me. His hand went into my dress at the top and he lifted out a big breast, then sucked the nipple hard. I loved it, the other hand back on my pussy, which now was very wet, "Mmmm that is better." he said.

He undid his buttoned fly and out fell this hug very fat rocket. Wow, no kidding, this was a fatty boy. A couple of rubs with his big hand and it was up in the air! He stood me up facing away from him and pulled down my panties. They were stuck round my feet, so I wobbled about as he pulled me down, stopping as the tip of this soda can

sized dick hit my pussy opening. Since I could not open my legs I slid about on his helmet until he rammed home!

I tensed up as the weapon hit home, pulled me onto it and I sank slowly onto all 9" to his eager hot balls. I tried to flip off the panties, but they were stuck on my shoes?

"Brad," I said, "be a love and get my panties. He reached down and lifted them off my shoes, now I could open up a bit, enough to let his hot balls out between my thighs. I stroked and squeezed them, lovely and hard and very full. Just then Steven pulled me up onto his lap just in time as some people were passing us. Brad had vanished, too, probably back to the car.

By now, Steven was well up my pussy, I could feel his hardness and pulsing all the way. With his hands around my waist, it just looked as if I was sat innocently on his knee! As the people went by, he started to grind away at my pussy; I was just cummin' and cummin' with each hard up stroke. My pussy was at full stretch and full of huge cock. Again a few young guys walked past, rather slowly as they were looking at us suspecting something may happen soon! Little did they know I was already sitting on a fat volcano, one that was about to erupt soon.

Steven stopped pumping his big shaft and we tried to look all innocent, whilst these guys were about. I had my legs shut and my summer mini dress

pulled down as far as it would go! Steven had never removed his pants, so I guess we looked all OK?

Those guys did not go but sat nearby opposite us on the grass. I was wanting more from Steven now so I wriggled about on him and as I did his hands clamped my waist tightly and I could feel my pussy tensing. Then a hot stream of man cream scalded my pussy! Steven had lost control and had cum in me, he grunted as I sat still and left him to finish firing into me.

I moved sideways so I could see Steven and kiss him too. I wanted to love and thank him for his hot gift. I shuffled round trying to keep my dress down! Steven helped me to come round and held and kissed me passionately as a lover does when he has done his hard man's work in a lady. His dick was still very hard and ready for more action. Those guys left finally; I think they knew what had happened to me?

"Fuck lady," Steven said. With that he pulled me up and we ran behind a the bushes. No messing about; up went the dress over my back and up went Steven. He parted my ass cheeks and helped himself to his spunk lined pussy!

I looked up and there was Brad cowering in a hedge. Steven saw him and gave him a thumbs up in front of my face. This big fatty dick was really opening me up! I was going crazy and cummin' loads. Steven yelled as he shot out a huge load, which seemed

never to stop, then smacked my bare ass as another jet relieved itself deep in me somewhere?

He stood me up still buried in there, his bis, fat monster bending round into me, then plop out it slid with spunk dripping onto the leaves. My pussy gaped and would not close!

## CALL SECURITY

### I'm just doing my job

I'm a security guard in a office skyscraper in Chicago's Loop. I saw her as soon as she got off the elevator, walking across the hallway in that short skirt she had on. I told her to be careful because the floor was wet and she smiled at me and said thanks. She was a looker.

She walks into the small stationery store right next to my station near the elevators.

Some fifteen minutes later I returned from my rounds inside the mall area and noticed that the door hadn't closed properly to the stationery shop. There was an opening of about two inches, just wide enough that I caught a glimpse of a sight I won't ever forget. There was that pretty girl, on her knees, right in front of that Gregg guy. You know the type. The young stud. Nice looking kid. Not much else going

for him. Well, he's sitting at his desk with his pants down to his ankles and this pretty girl is on her knees, sucking him off. Well, I've been a security guard for twenty-two years and I thought I'd seen it all. Until then.

She had taken off her short skirt and was down to a g-string. A lacy red one that showed every inch of her ass. She had his cock in her hand and was slowly taking about half of his length into her mouth like she was sucking a lollipop. I stood at the doorway peeking in at this incredible sight. She would take his penis into her mouth and hold him there, then very deliberately drag her lips all the way off.

I watched her do that a number of times and it was pretty obvious that this Gregg guy was enjoying every second of it. Admittedly, so was I. My cock was like a broom handle trapped inside my dark blue pants. The guy's hands were on her shoulders but he was letting her have complete control. And why not? This girl was obviously an excellent cocksucker.

Soon the girl let go of his cock and placed her hands on his bare thighs. Then she started to pump on his dick in earnest. I'll be damned if she didn't take every bit of him down her throat and like I said, this kid was hung.

I could see he was getting close because he had his hands wrapped in her hair, forcing her to take all of his dick in her throat. No problem for this

girl. She kept sliding him in and out, lunging down onto his cock. I thought he would cum in her mouth but instead she got up and turned around. I watched her slip out of her little panties. Her pussy was shaved bare. She leaned across his desk, legs spread, with her ass towards him which meant she was facing in my direction. I pulled back so they wouldn't see me.

The guy got up and took his position behind her. She closed her eyes for a moment as his finger stroked the length of her pussy. I heard her moan, "Oh, yeah," when he stuck his finger inside her. He fucked her with his finger a couple times before she asked him put his cock into her. Gregg probed her slit with his cockhead once or twice then sank in to the balls.

That did it. I shoved my hand into my pants down and grabbed hold of my woody. That Gregg kid had her by the hips and was pounding her pussy from behind with so much force that he actually moved the desk. I stood at the doorway, stroking my cock, watching this unbelievable scene unfolding before my eyes. Then I got careless and bumped the door.

The guy didn't hear it, but the girl did. She looked up at me – and to my amazement, she smiled. I smiled back and continued to jerk off. She never took her eyes off me after that. She started to hump back

against him. Reaching up with one hand, she yanked her top up, exposing her breasts to me. They were nicely shaped and her nipples were hard as diamonds. She put on a show for me. Wiggling her ass, pinching her nipples, licking her lips. I momentarily wondered how I was going to explain a pool of cum on my pants.

But all good things come to an end. Gregg's stroke became more erratic, his breath ragged. He lunged into her and tightly grabbed onto her bare boob with one hand, the other yanking her hair backwards. He drove her hard as spurt after spurt coated her insides. Soon after, he sagged into his chair, his cock wet with his cum. The girl turned towards him. Kneeling down, she took his cock back into her mouth. I saw her gingerly stroke his balls while he gently stroked her hair. I had a clear view of her wet pussy. Her pussy lips were swollen and red. Having finished, I thought it best to leave at that point.

About five minutes later she was standing at the shop's door. Turning back, she waved 'bye' to Gregg. She was dressed as she was when she first came in. She closed the door and walked to the elevator bank and pushed the up button. As the elevator arrived and the door slid open, she turned to me and blew me a huge kiss and smile.

## MAGEN & JESSIE

Jessie and I shared a Biology 204 class at the state university. I lived on campus and she was a townie. We spoke on occasion, but this time she invited me back to her place to study. I agreed and we did, but later that day we had dinner together. When it was time for me to go, she asked me to stay. We became passionate lovers that very night.
